Run, walk, sleep in, or go virtual!

You can run, walk, "sleep in", or virtually race in 2023! The race is scheduled for Saturday, September 30 at 9 am at the Tower Center at Unity Square in Bartlesville. Race registration is \$35 for adults and \$25 for youth (12 and under). Virtual dates for the race will be established by July 1.

Interested race participants can register in June on runsignup.com. Look for updated information on the Miles for Mammograms Facebook page and on the website at www.milesformammograms.org.

For questions about the Miles for Mammograms 5K/2K, contact Trianna Wyatt, twyatt.fhc@outlook.org.

September Pre-Fundraiser Opportunity -- Pink the Ville

During the month of September, the clinic is looking for business and individual partners to help with a pre-fundraising and awareness raising event. Let's "pink" Bartlesville in September! If you would like to assist, please contact Trianna Wyatt, twyatt.fhc@outlook.org.

October Fundraising Event -- Strand-Up to Cancer

October is Breast Cancer Awareness month. Local beauty salons and stylists have participated for many years through a fundraiser where clients buy pink strands to put in their hair. The winning salon receives a plaque and recognition from the Family HealthCare Clinic. The salon will also be featured on the back of the next year's t-shirt and website. If you are a salon owner, a stylist, or want your stylist to participate – please contact Ashley Taylor at ashleytaylor@familyhealthcareclinic.org.

Volunteer. We are always looking for volunteers to assist with the race day, planning committee, and pre – and post- fundraising events. If you would like to volunteer, please contact Trianna Wyatt, twyatt.fhc@outlook.org.

Donate. If a donation is the easiest way to participate this year, we thank you for helping us provide free breast cancer screenings to people in Washington, Osage, and Nowata counties.
